ABOUT

FROM
APRIL 2018

WHO ARE WE

ThatQuick is an Integrated Facility Service company aiming to not only merely connect the technicians and the customers but also to remove all the hassles regarding maintenance jobs for both the customers and the technicians. ThatQuick started its journey in April 2018 and from its very beginning it has proven itself as a contender in the market

ThatQuick promises to serve first who needs first. Right now the online maintenance service is famous among the people with mid-to-high income threshold, as they also tend to have lesser time to call for and supervise a maintenance

In short *“ThatQuick is an on-demand maintenance services platform. The platform basically provide on-demand maintenance services like cleaning, painting, plumbing, house shifting, Home appliances(AC,TV, Refrigerator, oven & washing machine) repairing services, office shifting, carpentry work, pest control.”*
